

## Education and Training Resource Links

- **National Sepsis Alliance:** <https://www.sepsis.org/>  
Sepsis Alliance is a voluntary health organization dedicated to raising awareness of sepsis by educating patients, families, and healthcare professionals to treat sepsis as a medical emergency
  
- **The Rory Staunton Foundation for Sepsis Prevention:**  
<https://rorystauntonfoundationforsepsis.org/>  
The mission of The Rory Staunton Foundation is to reduce the number of sepsis-caused deaths through:
  - Raising public awareness of sepsis through education and awareness programs to promote faster diagnosis and effective treatment for children and young adults
  - Improving medical diagnosis of sepsis, particularly pediatric sepsis, through the implementation of rapid treatment protocols and improved communication between parents and medical staff in hospitals and medical clinics
  - Supporting those affected by sepsis and providing a platform for their voices to be heard.
  
- **CDC:** <https://www.cdc.gov/sepsis/get-ahead-of-sepsis/index.html>
  
- **HCA:** <http://stopsepsisathomeny.org/>  
The Home Care Association of NYS Stop Sepsis at Home website includes a variety of tools and resources for sepsis education and training including: presentations and webinars, newsletters, fact sheets, marketing materials and on-line resources.
  
- **I PRO:** <http://stopsepsisnow.org>  
The AQIN Stop Sepsis Now website includes a variety of educational tools, resources as well as links to training webinars and newsletters.
